15th March 2022

PRESS RELEASE 2022/2023 BUDGET & PRECEPT

Llanon Community Council is pleased to announce that there will not be a rise in the precept requested for 2022/2023. This is in recognition of the rising cost of living. The council will, however, still be able to offer some new employment opportunities for which members hope local people will apply.

Public consultations on community development will take place later in the year; the upgrade of Cross Hands playground will be at the forefront of this. The council is aware that the cost of many materials has risen so has dedicated a further £15,000 to this project bringing its total contribution to £50,000. It is hoped that further finance will be obtained through grants from various organisations.

In addition to the upgrades recently carried out inside Tumble Hall, the council plans to undertake improvements outside during late Spring/early Summer.

The council is looking forward to arranging more community events and activities for children during the school holidays, starting with an Easter Fun Day in Parc Y Mynydd Mawr on 14th April, 2022. This will be advertised shortly.

If you require any further information on this or any other matter concerning Llanon Community Council, please contact the Clerk, Mrs Clare Hope on 01269 841213 or email: llannonccclerk@outlook.com

Cllr. Michael Jones
Chair of Llanon Community Council
