Additional disclosure notes*

The following information is provided to assist the reader to understand the accounting statement and/or the Annual Governance Statement

1. Expenditure under S137 Local Government Act 1972 and S2 Local Government Act 2000

Section 137(1) of the 1972 Act permits the Council to spend on activities for which it has no other specific powers if the Council considers that the expenditure is in the interests of, and will bring direct benefit to, the area or any part of it, or all or some of its inhabitants, providing that the benefit is commensurate with the expenditure. Section 137(3) also permits the Council to incur expenditure for certain charitable and other purposes. The maximum expenditure that can be incurred under both section 137(1) and (3) for the financial year 2021-22 was £8.41 per elector.

In 2021-22, the Council made payments totalling **£3550.00** under section 137. These payments are included within 'Other payments' in the Accounting Statement.

2. Line 1 – Total balances brought forward

The balance carried forward (line 7) for 31st March 2021 does not equal the balances brought forward (line 1) for 31st March 2022. This is due to an incorrect figure being calculated by the previous RFO.

3. Rounding up/down of financial year ending 2021

Please note these figures were provided by the previous RFO in the 2020/2121 return. As you will note, we are now using the exact amounts.

* Include here any additional disclosures the Council considers necessary to aid the reader's understanding of the accounting statements and/or the annual governance statement.
