

MODEL FINANCIAL REGULATIONS FOR COMMUNITY AND TOWN COUNCILS IN WALES

This Model Financial Regulations template was produced by the National Association of Local Councils (NALC) in April 2024 for the purpose of One Voice Wales. Every effort has been made to ensure that the contents of this document are correct at time of publication. NALC cannot accept responsibility for errors, omissions and changes to information subsequent to publication.

Notes to assist in the use of this template:

- 1) This document is a model for councils of all sizes to use to develop their own financial regulations, suitable for the size of the council and the activities it undertakes.
- 2) Bold text indicates legal requirements, which a council cannot change or suspend.
- 3) For the rest, each council needs to adapt the model to suit its size and structure. For example, some councils have both a Chief Officer and RFO, possibly with several more staff, while others have a single employee as Chief Officer/RFO. Some councils have committees, some have a high level of delegation and some make all decisions at full council meetings. Many now use online payment methods, but others still rely on cheques.
- 4) Curly brackets indicate words, sentences or sections that can be removed if not applicable, or amended to fit the council's circumstances. An example of this is the phrase {or duly delegated committee}, which can be deleted if there are no committees.
- 5) Specific areas that may need adapting:
 - a) In 1.5 – is the Chief Officer the RFO?
 - b) In section 4, does the council have committees and how many years are forecast?
 - c) In 5.6, does the council issue an open invitation to tender, or invite specific firms?
 - d) In 5.9, are online prices acceptable evidence?
 - e) In 5.13, 5.15 and 5.17, does the council have committees?
 - f) In 5.16, will a councillor ever be instructed to place an order?

- g) In 5.20, is there a minimum level for official orders?
 - h) Section 6 includes several alternatives to cover delegation to committees or to officers, approval of invoices individually or in batches, or for approval of regular contractual payments at the beginning of the year.
 - i) Sections 7, 8 and 9 also includes several alternatives, including wording for where the Chief Officer is a signatory. These are intended to allow a council's financial regulations to fit what they actually do, not to force any council to change what they do.
 - j) Section 10 gives two alternatives, with or without petty cash.
 - k) 13.6 has alternatives for VAT-registered and unregistered councils – only use one.
 - l) 13.7 and 13.8 are removable if they don't apply to the council.
 - m) Much of Section 16 can be deleted if not applicable.
 - n) 17.3, is the Chief Officer the RFO or will the RFO consult the Chief Officer?
- 6) Square brackets indicate where the council needs to specify who, or how much, or what the timescale is. For example [£500] might need to be £100, or [October] might need to be November, or [the council] might need to say the Policy and Resources Committee.
- a) In 4.1 and 4.7, select the wording for England or Wales, based on your location.
 - b) In Section 4, the council needs to determine the timescale for its budget setting.
- 7) It is challenging to try to offer guidance on setting financial limits. A council spending £1,000 a year is unlikely to delegate authority to spend £500 to its proper officer, but one spending £5 million a year might regard £5,000 as a reasonable limit. Each council needs to determine its own limits, that help, rather than hinder, its operations.
- 8) Key limits to set:
- a) In 5.6, at what limit will the council require a formal tender process to ensure fair competition, rather than just asking for quotes? If this is set too low, it may discourage suppliers. Many small councils might only use formal tenders once every few years or not at all.
 - b) In 5.8, at what limit will the council require fixed-price quotes rather than estimates?
 - c) In 5.9, at what level can smaller purchases be made without competition?
 - d) In 5.15, at what level can purchases be made under delegated authority (having complied with the rules about obtaining prices)?
 - e) In 5.18, how much can the Chief Officer commit to spending in an emergency?
 - f) In 6.9, can payment of invoices (for purchases that have already been authorised) be authorised by an officer under delegated authority as a general principle, or only to avoid problems?
 - g) In Section 9, what are the limits for card payments?
 - h) In 16.5, what value of assets can be bought or disposed of, without seeking council approval?

- 9) The contents list is a table that extracts section headings from the document. It can be updated by clicking on the contents list, whereupon a tab saying “update table” appears at the top of the list.
- 10) Once this model has been tailored to fit the council’s needs, the resulting Financial Regulations (with the insertion of the council’s name at the top) should be adopted at a meeting of the full council. The date of adoption should be inserted below the Contents. Any subsequent proposal for amendment should also be made to the full council.
- 11) The council should keep abreast of developments in legislation that affect the local council sector and should review and update its Financial Regulations annually.
- 12) Please ensure that the latest approved version is published on the council’s website.

- 3.1. All accounting procedures and financial records of the council shall be determined by the RFO in accordance with the Accounts and Audit Regulations.

The RFO shall complete and certify the annual Accounting Statements of the council contained in the Annual Governance and Accountability Return in accordance with proper practices, as soon as practicable after the end of the financial year. Having certified the Accounting Statements, the RFO shall submit them (with any related documents) to the council, within the timescales required by the Accounts and Audit Regulations.
- 3.5. **The council must ensure that there is an adequate and effective system of internal audit of its accounting records and internal control system in accordance with proper practices.**
- 3.6. **Any officer or member of the council must make available such documents and records as the internal or external auditor consider necessary for the purpose of the audit** and shall, as directed by the council, supply the RFO, internal auditor, or external auditor with such information and explanation as the council considers necessary.

3.12. The RFO shall, without undue delay, bring to the attention of all councillors any correspondence or report from internal or external auditors.

4. Budget and precept

4.1. **Before setting a precept, the council must calculate its budget requirement for each financial year by preparing and approving a budget, in accordance with The Local Government Finance Act 1992 or succeeding legislation.**

4.2. Budgets for salaries and wages, including employer contributions shall be reviewed by the Personnel Committee at least annually by the end of January for the following financial year.

4.3. No later than the end of January each year, the RFO shall prepare a draft budget with detailed estimates of all income and expenditure for the following financial year, taking account of the lifespan of assets and cost implications of repair or replacement.

4.4. The draft budget forecast, including any recommendations for the use or accumulation of reserves, shall be considered by the Finance Committee and a recommendation made to the council.

4.5. Having considered the proposed budget, the council shall determine its budget requirement by setting a budget. The council shall set a precept for this amount no later than the end of January for the ensuing financial year.

4.6. **Any member with council tax unpaid for more than two months is prohibited from voting on the budget or precept by Section 106 of the Local Government Finance Act 1992 and must disclose at the start of the meeting that Section 106 applies to them.**

- 4.7. The Chief Officer shall **issue the precept to the billing authority no later than the end of February** and supply each member with a copy of the agreed annual budget.
- 4.8. The agreed budget provides a basis for monitoring progress during the year by comparing actual spending and income against what was planned.
- 4.9. Any addition to, or withdrawal from, any earmarked reserve shall be agreed by the Council.

5. Procurement

- 5.1. **Members and officers are responsible for obtaining value for money at all times.** Any officer procuring goods, services or works should ensure, as far as practicable, that the best available terms are obtained, usually by obtaining prices from several suppliers.
- 5.2. The RFO should verify the lawful nature of any proposed purchase before it is made and in the case of new or infrequent purchases, should ensure that the legal power being used is reported to the meeting at which the order is authorised and also recorded in the minutes.
- 5.3. Every contract shall comply with the council's Standing Orders and these Financial Regulations and no exceptions shall be made, except in an emergency.
- 5.4. **For a contract for the supply of goods, services or works where the estimated value will exceed the thresholds set by Parliament, the full requirements of The Public Contracts Regulations 2015 or any superseding legislation (“the Legislation”), must be followed in respect of the tendering, award and notification of that contract.**
- 5.5. Where the estimated value is below the Government threshold, the council shall (with the exception of items listed in paragraph 5.12) obtain prices as follows:
- 5.6. For contracts estimated to exceed £60,000 including VAT, the Chief Officer shall seek formal tenders from at least three suppliers.

- 5.9. Where the value is between £3,000 and £10,000 excluding VAT, the Chief Officer shall try to obtain 3 estimates which might include evidence of online prices, or recent prices from regular suppliers.

¹ The Regulations require councils to use the Sell2 Wales website if they advertise contract opportunities and also to publicise the award of contracts over £30,000 including VAT, regardless of whether they were advertised.

5.10. Contracts must not be split into smaller lots to avoid compliance with these rules.

5.11. The requirement to obtain competitive prices in these regulations need not apply to contracts that relate to items (i) to (iv) below:

- i. specialist services, such as legal professionals acting in disputes;
- ii. repairs to, or parts for, existing machinery, equipment and buildings;
- iii. works, goods or services that constitute an extension of an existing contract;
- iv. goods or services that are only available from one supplier or are sold at a fixed price.

5.12. When applications are made to waive this financial regulation to enable a price to be negotiated without competition, the reason should be set out in a recommendation to the council. Avoidance of competition is not a valid reason.

5.13. The council shall not be obliged to accept the lowest or any tender, quote or estimate.

5.14. Individual purchases within an agreed budget for that type of expenditure may be authorised by:

- The Chief Officer, under delegated authority, for any items below £3000 excluding VAT which are considered essential for the smooth running of the organisation.

- The council for all items over £10,000;

Such authorisation must be supported by a minute (in the case of council or committee decisions) or other auditable evidence trail.

5.15. No individual member, or informal group of members may issue an official order or make any contract on behalf of the council.

5.16. No expenditure may be authorised that will exceed the budget for that type of expenditure other than by resolution of the council or a duly delegated committee acting within its Terms of Reference, except in an emergency.

5.17. In cases of serious risk to the delivery of council services or to public safety on council premises, the Chief Officer may authorise expenditure of up to £15,000 excluding VAT on repair, replacement or other work that in their judgement is necessary, whether or not there is any budget for such expenditure. The Chief Officer shall report such action to the Chair as soon as possible and to the council as soon as reasonably practicable thereafter.

5.18. No expenditure shall be authorised, no contract entered into or tender accepted in relation to any major project, unless the council is satisfied that the necessary funds are available and that where a loan is required, Welsh Government borrowing approval has been obtained first.

 - iii. Any payment necessary to avoid a charge under the Late Payment of Commercial Debts (Interest) Act 1998 or to comply with contractual terms, where the due date for payment is before the next scheduled meeting of the council, where the Chief Officer and RFO certify that there is no dispute or other reason to delay payment, provided that a list of such payments shall be submitted to the next appropriate meeting of the Finance Committee.

The approval of the use of each variable direct debit shall be reviewed by Finance Committee at least every two years.

The approval of the use of a banker's standing order shall be reviewed by Finance Committee at least every two years.

Appendix 1 - Tender process

- 1) Any invitation to tender shall state the general nature of the intended contract and the Chief Officer shall obtain the necessary technical assistance to prepare a specification in appropriate cases.
- 2) The invitation shall in addition state that tenders must be addressed to the Chief Officer in the ordinary course of post, unless an electronic tendering process has been agreed by the council.
- 3) Where a postal process is used, each tendering firm shall be supplied with a specifically marked envelope in which the tender is to be sealed and remain sealed until the prescribed date for opening tenders for that contract. All sealed tenders shall be opened at the same time on the prescribed date by the Chief Officer in the presence of at least one member of council.
- 4) Where an electronic tendering process is used, the council shall use a specific email address that will be monitored to ensure that nobody accesses any tender before the expiry of the deadline for submission.
- 5) Any invitation to tender issued under this regulation shall be subject to Standing Order [insert reference of the council's relevant standing order] and shall refer to the terms of the Bribery Act 2010.
- 6) Where the council, or duly delegated committee, does not accept any tender, quote or estimate, the work is not allocated and the council requires further pricing, no person shall be permitted to submit a later tender, estimate or quote who was present when the original decision-making process was being undertaken.
