

LLANNON COMMUNITY COUNCIL

PROGRESS ON DELIVERING CARMARTHENSHIRE PUBLIC SERVICES BOARD'S WELL-BEING OBJECTIVES 2024-25

“Llannon Ward - One Community”

Introduction from the Chief Officer

Section 40 of the Well-Being of Future Generations (Wales) Act 2015 requires Llannon Community Council to publish this annual report, detailing our progress made in meeting the Carmarthenshire Public Services Board's local, 5 well-being objectives.

Llannon Community Council has come a long way over the past few years; from introducing a full Community Survey (to identify the issues faced by our residents and the facilities and support they need); to creating a Well-being Plan that fully aligns to Carmarthenshire PSB's local well-being objectives.

- We have introduced projects that support those affected by the Cost-of-Living crisis.
- We have prioritised the loneliness and isolation faced by many of our residents.
- We have also published an ambitious Forward Development Plan which will bring further improvements, particularly to the sporting and recreational facilities in Llannon Ward.

It is a great honour to serve as the Chief Officer of Llannon Community Council and it fills me with immense pride to report on the incredible work carried out by the Councillors and our team of staff who are all totally committed to improving the lives of the residents we serve.

Mrs Clare Hope
Chief Officer
Llannon Community Council

About Llannon Community Council

Map of Llannon Ward

Llannon Community Council proudly serves the villages of Llannon, Tumble, Cwmmawr and Cross Hands.

Llannon Community Council is made up of fifteen members, ten representing Tumble Ward and five representing Cross Hands Ward.

The Full Council meets every month (apart from August and December) and is supported by Committees who meet as and when required.

The Chair of the Council during 2024-25 was Cllr. Julie Owen (Plaid Cymru).

About Carmarthenshire Public Services Board

The Well-being of Future Generations (Wales) Act 2015 established a statutory board, known as a Public Services Board (PSB), in each local authority area in Wales. The PSB is a collection of public bodies working together to improve the well-being of Carmarthenshire.

As a group, the PSB must improve the economic, social, environmental and cultural well-being of Carmarthenshire by working to achieve the 7 Well-being goals. The PSB assessed the state of economic, social, environmental and cultural well-being and published a well-being plan (2023-2028) setting out local objectives and the steps required to meet them.

The PSB must follow the sustainable development principle - meeting the needs of the present without compromising the ability of future generations to meet their own needs.

Carmarthenshire PSB's statutory members are:

Carmarthenshire County Council; Hywel Dda University Health Board; Mid and West Wales Fire and Rescue Service & Natural Resources Wales

Carmarthenshire PSB's other partners are:

Coleg Sir Gâr; University of Wales Trinity Saint David; Dyfed Powys Police; Dyfed-Powys Police and Crime Commissioner; Department for Work & Pensions; Carmarthenshire Association of Voluntary Services; Welsh Government; Probation Service; Bannau Brycheiniog National Park Authority

The Carmarthenshire PSB has set 5 objectives for 2023-2028 and Llannon Community Council is required to report our progress in helping to achieve these goals.

The Well-being of Future Generations (Wales) Act 2015

The Well-being of Future Generations (Wales) Act 2015 was passed to improve the social, economic, environmental and cultural Well-being of Wales. The Act places a duty that public bodies are expected to carry out. A duty means Llannon Community Council must do this by law. The Well-being duty states:

“Each public body must carry out sustainable development”.

“The action a public body takes in carrying out sustainable development must include:

Setting and publishing objectives (“well-being objectives”) that are designed to maximise its contribution to achieving each of the well-being goals, and taking all reasonable steps (in exercising its functions) to meet those objectives”.

The Sustainable Development Principle

In working towards delivering these goals, Llannon Community Council must follow the sustainable development principle, designed to support and deliver services that meets the needs of the present without compromising the ability of future generations to meet their own needs.

The Council must ensure that when decisions are made, the impact this could have on people living in the Llannon Ward in the future must also be considered.

National Well-being Goals

The Act sets out seven Well-being Goals which public services must work towards to improve the social, economic, environmental and cultural well-being of all of our communities.

The Five Ways of Working

In order that Llannon Community Council apply the sustainable development principle, there are five ways of working which we must follow: Long term; Prevention; Integration; Collaboration and Involvement.

The Council must ensure that everything we do has taken these ways of working into consideration.

The Council must think more about the long-term; work better with local communities; look to prevent problems and take a more joined-up approach.

This will ensure we work together in a more robust and effective partnership approach.

How Llannon Community Council incorporates the Five Ways of Working

Long-term - the importance of balancing short-term needs with the need to safeguard the ability to also meet long-term needs.

In 2023, Llannon Community Council published a **Community Engagement Strategy** which resulted in the circulation of a Community Survey. From the Survey results, we identified a number of issues faced by our residents. Some of these issues, including the loneliness and isolation experienced by older members of Llannon Ward, was something we felt we could tackle immediately. A weekly luncheon club for the over 50's was set up shortly afterwards and now supports 70-80 residents every Friday. Other issues, such as a lack of training and changing facilities to support the local sports clubs required a longer-term plan.

Following the Survey, the Council carefully considered a **Well-being Plan** which fully aligns to Carmarthenshire PSB's Well-being Objectives and the Well-being goals of Wales. We were extremely proud to publish our Well-being Plan in 2024. In addition to this, in January 2025, the Council published its' first **Forward Development Plan**, outlining our Well-being Objectives and setting out ambitious plans for improvements that would not only be of benefit to our residents now, but for the future generations of Llannon Ward. All of these documents are reviewed annually by the Council and amended in accordance with the needs of our residents.

Cross Hands Park was identified by Llannon Community Council as an area requiring significant improvements. A successful application through the Shared Communities Fund provided us with the opportunity to instruct specialists to create a **Masterplan** of the area and identify opportunities for grant funding to support additional facilities recommended.

In order to deliver our Well-being initiatives, the Council has employed three, part-time officers and created a dedicated Well-being Team. The team is responsible for overseeing our community supermarket and warm space "Y Cwtsh," organising our weekly luncheon club and arranging all of the other well-being activities delivered by Llannon Community Council.

How Llannon Community Council incorporates the Five Ways of Working

***Prevention** - how acting to prevent problems occurring or getting worse may help public bodies meet their objectives.*

Llannon Community Council is fully committed to tackling problems and assisting with well-being problems within our Ward. Our Community Supermarket and Warm Space “Y Cwtsh” is open to: Anyone that **resides in Llannon Ward**; Anyone that **works in Llannon Ward**; or Anyone that **volunteers in Llannon Ward**. Members of Y Cwtsh can access food through a small donation and can keep warm during the cold Winter months, with a free bowl of soup. Through this social space, we can identify residents that might benefit from additional support and signpost them to the relevant services.

A large number of residents are suffering with mental health issues and suicide prevention has become a top priority. We work closely with Shadows Mental Health support by offering free space at Y Cwtsh and Tumble Hall enabling support sessions to be held. We also provide the same access to LINKS who support veterans and blue light members.

The closure of Tumble Surgery in 2024 had a significant impact on our residents who were concerned about difficulties in accessing health services. We worked with Hywel Dda to provide free space in Tumble Hall enabling the following clinics to continue in the area: Heart Clinic; Pelvic Health Clinic; Pain Management Clinic; Social Prescriber. Free space is also provided to support the Flu and Covid vaccination clinics where over 1500 residents are vaccinated every year.

Due to the closure of the last bank in the village, we also continue to make a room available to Lloyds Bank every Friday, in order to provide our residents with access to financial support.

In 2024, Llannon Community Council worked with Tennis Wales and secured funding to re-surface the tennis courts in Cross Hands Park and we match funded the project in the sum of £25,000. Our many sporting and physical activities offered are bringing residents together and help improve the health and well-being of our residents.

How Llannon Community Council incorporates the Five Ways of Working

Integration - *considering how the public body's well-being objectives may impact upon each of the well-being goals, on their objectives, or on the objectives of other public bodies.*

Llannon Community Council is totally committed to ensuring our well-being objectives are integrated with the Well-being goals for Wales so we decided to fully align to the Carmarthenshire PSB by adopting the same objectives and we actively consider how our actions contribute to and complement the objectives. We engage with PSB partners and use their priorities to help shape our local plans.

The facilities and services that operate range from cost of living support; mental health support; activities for the elderly; activities for young people; upgraded sports facilities; vast recreational services and the provision of six children's playgrounds.

We also work closely with neighbouring town and community councils, where our staff share ideas and best practice. We are keen to develop this further in the future and will look at ways in which we can combine resources, saving money and lessening the burden on the local precepts.

How Llannon Community Council incorporates the Five Ways of Working

Involvement - *The importance of involving people with an interest in achieving the well-being goals and ensuring that those people reflect the diversity of the area of which the body serves.*

Over the past year Llannon Community Council has worked together to strengthen our community engagement through the publication of a newsletter and posts on social media. We have also used our social media to assist with consultation and participatory engagement. This digital engagement has proven especially effective in reaching broader and more diverse audiences.

Councillors that have a keen interest in particular areas of our work are nominated for relevant Committees, ensuring their excellent range of knowledge and experience is available when scrutinising all decisions made.

The Chief Officer works closely with all of our Stakeholders and is aware of the issues many of our community groups are facing, in particular our sports clubs. Through ongoing contact, the Chief Officer is able to identify ways in which the Council can assist our community groups and can also signpost them to other services that might be of assistance.

How Llannon Community Council incorporates the Five Ways of Working

Collaboration - *acting in collaboration with any other person (or different parts of the body itself) that could help the body meet its' well-being objectives.*

Llannon Community Council has established a solid network of key stakeholders that we currently collaborate with:

Tumble Family Centre - who currently operate from Y Cwtsh and Tumble Hall at reduced rates.

Various departments within **Carmarthenshire County Council**, including - Community Bureau; 10 Towns Initiative; Actif Sir Gar; Early Years Integration Team; Safer Routes in Communities; Local Places for Nature;

Hywel Dda Health Board - who use our spaces to deliver vital health clinics and to hold meetings and training sessions for staff, ensuring our residents have easier access to services.

Schools - who we support by offering free use of our community buildings and assistance with concerts and sports days. We also work together to produce Safer Routes in Communities bids which incorporate active travel improvements.

Sports Clubs - who are vital in providing team sport in the area run by volunteers, who we support by providing changing and playing facilities and providing financial assistance towards junior festivals.

Sports Governing Bodies - LTA; Tennis Wales; Football Association of Wales; Welsh Rugby Union - who we work with to obtain grant funding and improvements to facilities.

Community Groups - Our many community groups who work tirelessly to provide additional well-being activities within Llannon Ward which we support with financial assistance, free use of Council land and guidance; Cyfle i Bawb; Tumble Lindy Hop Jive; Eisteddfod Gadeiriol y Tymbl; Men's Shed Cwm Gwendraeth; Cross Hands Bowls Club; Friends of Mynydd Mawr Woodland Park; Keep Mynydd Mawr Tidy; Cross Hands Action Team.

Dyfed Powys Police - who we meet with on a regular basis to discuss local issues.

Menter Cwm Gwendraeth Elli - who assist with Welsh language projects.

How Llannon Community Council is helping to deliver Carmarthenshire PSB's Well-being Objectives

1. “Ensuring a sustainable economy and fair employment”

“Carmarthenshire will be a prosperous county with a well-educated and skilled workforce where opportunities exist for all.

Everyone will be able to reach their full potential, therefore reducing poverty and deprivation.

Funding opportunities will be maximised, and our young people will be given the best possible opportunities to innovate and lead in our communities”.

How Llannon Community Council is helping to deliver Carmarthenshire PSB's Well-being Objectives

2. “Improving Well-being and reducing health inequalities ”

“Building on the vision within the Director of Public Health Annual Report for 2018/19, our shared vision is a county where individuals, communities and the environment they live, play and work in are adaptive, connected and mutually supportive.

This means people are resilient and resourceful and enabled to live joyful, healthy and purposeful lives with a strong sense of belonging”.

Activity

Description

Which National Well-being Goals does this support?

Provision of recreational spaces

The Council continues to provide and maintain our vast recreational and green spaces within Llannon Ward. The Council works closely with other organisations to promote the benefits people obtain from visiting natural spaces in improving their physical and mental well-being.

The Cwm Gwendraeth Early Years Team and Tumble Family Centre arrange mother, baby and toddler walks and family fun days in Parc Y Mynydd Mawr and Cross Hands Park.

Cross Hands Action Team arrange a carnival every year at Cross Hands Park and Cefneithin RFC also use the area for a Fun Day.

The local schools use Parc Y Mynydd Mawr, Llannon Park and Cross Hands Park to hold their sports days.

A Resilient Wales

A Healthier Wales

A More equal Wales

A Wales of Cohesive Communities

How Llannon Community Council is helping to deliver Carmarthenshire PSB's Well-being Objectives

3. “Responding to the climate and nature emergencies”

“Our vision as a Public Services Board is that Carmarthenshire will be recognised as a county that protects and enhances its existing environment and biodiversity, harnessing its natural resources to best effect.

We will lead on the Climate and Nature emergencies and ensure that our environmental wealth is considered and well connected to delivering economic and well-being benefits to our residents and visitors”.

<div data-bbox="116 427 699 727"><p>Actively following Llannon Community Council’s Biodiversity Plan</p></div> <div data-bbox="83 885 729 1645"></div>	<p>Llannon Community Council has a very active Environment Committee. Action on Biodiversity is now considered as an integral part of all Council activities. In July 2023, the Council fulfilled its duty under S6 of Environment (Wales) Act 2016 “The Biodiversity and Resilience of Ecosystems Duty,” by reporting on our work to enhance biodiversity in Llannon Ward and producing an action plan for the following three years.</p> <p>As part of the plan, four very unique sites were selected for development and monitoring. These have different habitats and land management requirements. The aim is to monitor how the biodiversity in these different areas changes under different grass cutting regimes and other techniques and use this to inform management of other sites in future years.</p> <p>The Council worked closely with Amanda Evans (Caeau Mynydd Mawr Conservation Officer) and Matthew Collinson (Local Places for Nature Officer) to make further changes in our cut and collect regime by encouraging us to apply for Welsh Government Local Places for Nature Funding. In March 2024, we were awarded £34,836 to purchase a new cut and collect mower and a battery operated pedestrian mower.</p> <p>Due to changes made to the grass cutting regime, significant time and cost savings have been made due to reduced frequency of grass cutting.</p> <p>We are currently working with Matthew to make further grass cutting changes to Cross Hands Park and Tirwaun Park and explore the idea of a community garden</p>	<div data-bbox="2648 343 3115 395"><p>A Resilient Wales</p></div> <div data-bbox="2638 495 3125 547"><p>A Healthier Wales</p></div> <div data-bbox="2615 647 3148 707"><p>A More equal Wales</p></div> <div data-bbox="2608 801 3155 928"><p>A Wales of Cohesive Communities</p></div> <div data-bbox="2568 1028 3195 1155"><p>A Globally Responsible Wales</p></div> <div data-bbox="2682 1215 3122 1802"></div>

How Llannon Community Council is helping to deliver Carmarthenshire PSB's Well-being Objectives

4. "Tackling poverty and its impacts "

"Our aim is to work together to tackle the symptoms of poverty to reduce its impact and create a fair, healthy, prosperous, thriving and sustainable Carmarthenshire, now and for our future generations".

Activity	Description	Which National Well-being Goals does this support?
<div data-bbox="113 418 833 559" data-label="Section-Header"> <p>Provision of a Community Supermarket</p> </div> <div data-bbox="283 690 643 921" data-label="Image"> </div> <div data-bbox="83 1074 833 1637" data-label="Image"> </div>	<p>As a direct result of the Cost-of-Living crisis, Llannon Community Council opened “Y Cwtsh” based at The Pavilion, Parc Y Mynydd Mawr in 2022, to support residents facing the rising cost of food and utility bills. Within Y Cwtsh, we operate a Community Supermarket which can be accessed by: Anyone that resides in Llannon Ward; Anyone that works in Llannon Ward; or Anyone that volunteers in Llannon Ward. The project is overseen by our Well-being Officer and supported by our team of enthusiastic volunteers.</p> <p>Most items available are marked with a point-based system and during each visit, our members can access 10 points worth of food/daily essentials for a small donation of £3 (although this is not compulsory). Many items are also available without points, including weekly slow cooker packs (where we provide all of the ingredients to make a nutritious family meal).</p> <p>We have been very fortunate to receive support from many partners including FairShare Cymru and Neighbourly where we access surplus food. Local churches and chapels have also been extremely generous, donating money and food whenever possible. During 2024-25, we secured £7000 of funding through the Welsh Government Fuel Poverty Fund.</p> <p>We would particularly like to thank local business Dunbia, based in Cross Hands, who supply a large donation of meat to be distributed via Y Cwtsh, every month.</p>	<div data-bbox="2715 408 3198 461" data-label="Text"> <p>A Resilient Wales</p> </div> <div data-bbox="2708 568 3208 620" data-label="Text"> <p>A Healthier Wales</p> </div> <div data-bbox="2678 727 3238 780" data-label="Text"> <p>A More equal Wales</p> </div> <div data-bbox="2675 887 3242 1018" data-label="Text"> <p>A Wales of Cohesive Communities</p> </div> <div data-bbox="2632 1125 3282 1256" data-label="Text"> <p>A Globally Responsible Wales</p> </div> <div data-bbox="2758 1318 3195 1750" data-label="Image"> </div>

<div data-bbox="139 465 972 690"><p>Free Family Breakfast Clubs Summer Holidays 2024</p></div> <div data-bbox="203 748 902 1742"></div>	<p>From talking to the families that use Y Cwtsh, we were very aware of their concerns over how they were going to feed their children during the six-week Summer Holidays. We know that breakfast clubs run by schools contribute to the health, academic success, and social development of children. We therefore felt it was important to ensure that every child in Llannon Ward had the opportunity to have a good start to the day by providing a FREE nutritious breakfast to families during this period.</p> <p>Many families commented on how inviting the set-up of the breakfast was. There is a still a great deal of stigma around these type of projects so we wanted to bring a welcoming feel. Feedback from the families was that “It was like staying in a hotel!”</p> <p>The breakfast club ran Monday to Friday from 8.15am - 9.15am, although successful, feedback we received indicated more families would have taken part if sessions had started later. We have taken this on board and for 2025 our sessions run from 9.30 - 11am.</p>	<div data-bbox="2545 408 3102 465"><p>A Prosperous Wales</p></div> <div data-bbox="2578 568 3065 624"><p>A Resilient Wales</p></div> <div data-bbox="2568 727 3072 784"><p>A Healthier Wales</p></div> <div data-bbox="2542 887 3098 943"><p>A More equal Wales</p></div> <div data-bbox="2535 1046 3105 1178"><p>A Wales of Cohesive Communities</p></div> <div data-bbox="2582 1283 3052 1746"></div>

<p>Supporting</p> 	<p>Llannon Community Council is proud to support this important cultural event in Cwm Gwendraeth. It is vitally important that this renowned Eisteddfod continues to be a resounding success. Being able to support this event by providing free use of Tumble Hall, sound and vision equipment and a £1000 financial donation is a matter of pride for Llannon Community Council.</p>	<p>A More equal Wales</p> <p>A Wales of Cohesive Communities</p> <p>A Wales of Vibrant Culture & Thriving Welsh Language</p>
	<p>Llannon Community Council is delighted to display the Eisteddfod Trophies in the Conference Room on behalf of the Eisteddfod Committee.</p>	

Llannon Community Council's Further Well-being Objectives for 2025-28

1. “Ensuring a sustainable economy and fair employment”

- *To work towards developing a Community Food Strategy and Community Food System.*
- *To create a Renewable Energy Plan where we consider only using renewable energy.*
- *To arrange drop-in sessions for residents with Business Wales/Job Centre.*
- *To create a new website that includes practical employment support with links to public transport timetables; car sharing schemes; job search websites and business development start-up information.*
- *To provide support for staff to learn the Welsh language and work with Menter Cwm Gwendraeth Elli to promote the use of the Welsh language.*

2. “Improving well-being and reducing health inequalities”

- *To assist with the delivery of the Healthy Weight, Healthy Wales programme and NHS Eat Well programme by educating residents via our Y Cwtsh project.*
- *To establish a group to support young people.*
- *To create a plan to make improvements to Tirwaun Park, Caeglas.*
- *To create a plan to make improvements to Llannon Village.*
- *To provide as many opportunities as possible to increase sports provision within Llannon Ward.*
- *To undertake a local 'Bag it. Bin it' campaign.*

3. “Responding to the climate and nature emergencies”

- *To carry out a review to establish areas where we might incorporate EV Charging points.*
- *To implement an E-bike scheme.*
- *To produce a “Net Zero by 2030” Plan.*
- *To establish a Community Growing Project.*
- *To establish a Repair Café.*
- *To establish a Clothing Amnesty, specifically targeting local school uniforms, PE Kits and coats, that can be re-distributed through Y Cwtsh.*

4. “Tackling Poverty and its impacts”

- *To continue to signpost and refer service users of Y Cwtsh to support services.*
- *To build on current advice and support provision to residents through Y Cwtsh, by developing opportunities for collaboration across PSB organisations.*
- *To reach out and support people who are facing the danger of becoming homeless by signposting them to the relevant services, hopefully before crisis point has been reached.*

5. “Helping to create bilingual, safe and diverse communities”

- *To develop a support service for vulnerable adults, for example new Dads.*
- *To develop a Youth Council to have a better understanding and connection to the needs and desires of young people in the Llannon Ward.*
- *To create Welsh language learning and engagement opportunities.*
- *To create a Community Place Plan.*
