Foreword from the Chair

As the Chair of Llannon Community Council, I am pleased to present this year's Annual Report, highlighting the progress we have made in strengthening our community, improving facilities and delivering on statutory well-being duties. Our focus remains on supporting residents today while planning responsibly for future generations.

The achievements this year have only been possible because of the exceptional dedication of our staff. Their commitment to maintaining our parks, supporting community services and delivering our well-being initiatives has ensured that our facilities remain safe, welcoming and well-used by residents of all ages.

We are also proud of the significant external funding secured to improve our community assets. Since 2021, the Council has attracted over £762,660 in grants. This has enabled major improvements such as the redevelopment of Parc y Mynydd Mawr Pavilion, resurfacing of the Cross Hands Park tennis courts and significant improvements to the active travel routes in Tumble (including a new pedestrian crossing outside Tumble School). These investments strengthen our green spaces, support local sports clubs, make Llannon Ward safer and enhance opportunities for residents.

Looking ahead, the Council remains ambitious and forward-thinking. Our Well-being Plan and Forward Development Plan set out clear priorities that align with national and regional objectives. We will continue working closely with partners, volunteers and community groups to deliver sustainable improvements that benefit everyone in Llannon Ward. I extend my sincere thanks to our staff, Councillors and stakeholders for their continued dedication throughout the year.

**Cllr. Ruth Lloyd Davies
(Welsh Labour)
Chair of
Llannon Community Council
2025-2026**

Introduction from the Chief Officer

Section 52 of the Local Government and Elections (Wales) Act 2021 requires Llannon Community Council to prepare and publish an Annual Report about the Council's priorities, activities and achievements over the previous year.

Section 40 of the Well-Being of Future Generations (Wales) Act 2015 requires us to also publish our progress made in meeting the Carmarthenshire Public Services Board's local, 5 well-being objectives.

Llannon Community Council has come a long way over the past few years; from introducing a full Community Survey (to identify the issues faced by our residents and the facilities and support they need); to creating a Well-being Plan that fully aligns to Carmarthenshire PSB's local well-being objectives.

- We have introduced projects that support those affected by the Cost-of-Living crisis.
- We have prioritised the loneliness and isolation faced by many of our residents.
- We have published an ambitious Forward Development Plan which will bring further improvements, particularly to the sporting and recreational facilities in Llannon Ward.

It is a great honour to serve as the Chief Officer of Llannon Community Council and it fills me with immense pride to report on the incredible work carried out by the Councillors and our team of staff who are all totally committed to improving the lives of the residents we serve.

Mrs Clare Hope
Chief Officer
Llannon Community Council

ABOUT LLANNON COMMUNITY COUNCIL

"Llannon Ward – One Community"

About Llannon Community Council

Map of Llannon Ward

Llannon Community Council proudly serves the villages of Llannon, Tumble, Cwmmawr and Cross Hands.

Llannon Community Council is made up of fifteen members, ten representing Tumble Ward and five representing Cross Hands Ward.

The Full Council meets every month (apart from August and December) and is supported by Committees who meet as and when required.

Cllr. Julie Owen
(Plaid Cymru)

Vice-Chair of
Llannon Community Council
2025-26

Meetings

The Full Council meets every month wherever possible, (apart from August and December). Meeting dates are published on our website. The Full Council is supported by Committees who meet as and when required.

All meetings have a section where members of the public are invited to participate.

Agendas & Minutes

Full information regarding all Council meetings and how to access meetings can be found on our website.

Standing Orders & Financial Regulations

Standing Orders & Financial Regulations are the rules and regulations the Council must abide by. They are reviewed annually and published on our website.

Sub-Committees

The Council has 7 Sub-Committees. The Finance Committee meets every month and the other Committees meet as and when required:

- Finance
- Personnel
- Appeals
- Environment
- Hall
- Assets
- Community Engagement, Well-being & Events

Delegations

In order to achieve efficient ways of working and to deal with emergency situations a scheme of delegation is in operation which is reviewed annually and published on our website.

Sports Facilities & Recreational Spaces

Llannon Community Council maintains the football pitch and changing rooms at Parc Y Mynydd Mawr. Other areas of the site are also maintained for junior training, matches and festivals.

We are delighted to report that during 2025-26, we secured £133,500 from the UK Government Shared Communities Fund to re-develop the pavilion at Parc y Mynydd Mawr. This will enable us to provide modern changing rooms and a community hub that will house our well-being initiatives including our Warm Hub.

The Council also maintains the recently re-surfaced tennis courts at Cross Hands Park which have proved to be extremely popular.

The Council continues to provide and maintain our vast recreational and green spaces within Llannon Ward. The Council works closely with other organisations to promote the benefits people obtain from visiting natural spaces in improving their physical and mental well-being.

The Cwm Gwendraeth Early Years Team and Tumble Family Centre arrange mother, baby and toddler walks and family fun days in Parc Y Mynydd Mawr and Cross Hands Park.

Cross Hands Action Team arrange a carnival every year at Cross Hands Park and Cefneithin RFC also use the area for a Fun Day.

The local schools use Parc Y Mynydd Mawr, Llannon Park and Cross Hands Park to hold their sports days.

Parc y Mynydd Mawr

In addition to maintaining the football pitch and changing rooms at Parc y Mynydd Mawr, Llannon Community Council also maintains the land behind Tumble Hall and the former bowling green.

In **2023**, Llannon Community Council submitted a bid for Safer Routes in Communities funding which included creating new footpaths and lighting and upgrading existing footpaths within the park. The bid worth **£392,000**, also included a new crossing outside Ysgol y Tymbl.

Cross Hands Park

In May 2024 Llannon Community Council secured **£25,000** of funding to re-surface the tennis courts in Cross Hands Park. The tennis courts have become extremely popular and over 100 people have joined our annual subscription programme which has been heavily discounted for residents of Llannon Ward. The whole family can join for only £10 per year and play unlimited tennis.

We also secured **£39,000** of funding from the Sustainable Communities Fund to carry out feasibility studies. V15 Consulting Ltd were commissioned to create a masterplan for the park which includes exciting plans to reinstate the sports pitches; a new community space with changing facilities; padel courts, a pump track and even a bike park. Consultation will be carried out with the local community shortly.

Llannon Community Council is also responsible for the bowling pavilion and Cross Hands and District Bowls Club do a fantastic job of maintaining the bowling green.

Find the masterplan for Cross Hands Park here:

<http://www.ccllannon.org.uk/wp-content/uploads/2025/02/CROSS-HANDS-WELFARE-PARK-MASTERPLAN-2025-28.pdf>

Cross Hands Park Tennis Courts

Llannon Community Council worked closely with the Lawn Tennis Association to secure £25,000 of funding to re-surface the tennis courts at Cross Hands Park. With a further contribution of £30,000 being paid from the Council's Future Projects Budget.

The new Courts opened in early August and many residents have already taken advantage of the 75% off Annual Membership Deal.

Y Graig, Llechyfedach

Making improvements to Y Graig to help benefit the local residents and the children that attend the Meithrin and Ysgol Llechyfedach remains a priority for Llannon Community Council.

In 2024 we concentrated on re-creating the footpaths leading up to the top of Y Graig. Cutting away the overgrown brambles saw the growth of beautiful bluebells in the Spring.

The Council remains committed to obtaining further funding to install a new children's playground and making further improvements to the footpaths.

Tirwaun Park, Cross Hands

Nestled to the rear of the Caeglas estate and just off Meadows Road, lies the beautiful Tirwaun Park. To enhance the biodiversity of the site, we have changed our cutting regimes where the old football pitch once stood to create a beautiful meadow.

We also carried out extensive works to repair the bridge leading to the park.

The children's playground requires a full upgrade but as the new playground in Cross Hands Park has recently been installed, we will look for funding opportunities in the 2027-2032 term.

Tŷ Isha

Llannon Community Council is responsible for the land situated at the bottom of the rear of High Street, known locally as Tŷ Isha. We maintain the green space and look after the shelter.

The land is home to the commemorative statue of Jac Hughes (pictured) who was a ring leader of the Merched Beca (Rebecca Rioters). Jac was known as Jac Tŷ Isha (name of his family farm) and was later exiled to Tasmania for his role in the protest at the toll gate in Pontarddulais.

That action contributed to the eventual reform of the toll gate system - an important victory in Welsh social history.

In July 2026, a large community event is being held to honour both Jac and the wider community. Llannon Community Council is proud to be supporting this event.

Llannon Square

During 2024, Llannon Community Council made safety improvements to the flooring in Llannon Square by re-pointing the paving slabs. We plant seasonal flowers and provide a Christmas Tree and lights at the site every year.

Two Cemeteries

Upper Tumble Public Cemetery

Llannon Community Council owns and operates Upper Tumble Public Cemetery. Situated on Llannon Road, the cemetery has lawn graves and a Garden of Remembrance for the burial of ashes. The maintenance team of Llannon Community Council take great pride and care in looking after the cemetery and regularly receive compliments from visitors to the cemetery on their dedication in their roles. The Council is also responsible for the closed cemetery, Ebenezer.

Grave ownership is governed by a complex mix of statutory law, common law and our own rules and regulations. Due to the statutory processes and documentation required, the Council has a dedicated Clerk to the Burial Authority who has been fully trained to maintain the Council's burial records. There is a 50% discount on the purchase of a plot for all residents of Llannon Ward.

Ebenezer Cemetery

Tumble Memorial Garden

Tumble Memorial Garden is situated on High Street, Tumble. A beautiful wall built to commemorate those that served in our armed forces.

Every Remembrance Sunday, we hold a service at 11am where many residents and local community groups attend to pay their respects.

During the Summer months, we plant flowers in the flower beds and a Christmas tree and lights are also at the site for all to see as they travel up and down the hill.

Cross Hands Memorial Garden

Situated opposite the Police Station on Llandeilo Road, Cross Hands Memorial Garden is the home of our beautiful war memorial and garden of reflection.

Every year we hold a Service of Remembrance on Remembrance Sunday at 2pm where over two hundred residents attend to remember those who served in our armed forces.

We also honour our local British Legion, the Ammanford and Cross Hands branch with memorial planters.

Six Children's Playgrounds

Llannon Community Council is responsible for the following children's playgrounds that were asset transferred from Carmarthenshire County Council in 2016/17:

- Tumble playground (newly installed by LlCC in 2019)
- Llannon playground (newly installed by LlCC in 2019)
- Cross Hands playground (newly installed by LlCC in 2023)
- Llechyfedach playground (requires upgrade)
- Tirwaun playground (requires upgrade)
- Maes y Fynnon playground (requires upgrade)

The Council has spent nearly **£300,000** and secured significant grant and S106 funding on the new playgrounds and we have plans to improve those playgrounds requiring upgrades as soon as other funding becomes available.

Community defibrillators

Did you know ?

Accessibility to a de-fibrillator is key to saving a life. Each minute that is wasted reduces the chances of saving that life by 10%.

Where are they located?

- BOTH ENDS OF LLWYNTEG
- BETHANIA CHAPEL
- UPPER TUMBLE PUBLIC CEMETERY
- PARC Y MYNYDD MAWR PAVILION
- CROSS HANDS BOWLS CLUB

Llannon Community Council has purchased five new de-fibrillators for Llannon Ward. This was achieved due to a grant of £2500 from Calon Hearts UK, the hard work and effort of Jean Mills and generous donations from the residents of Llwynteg.

Cadw Mynydd Mawr yn Daclus volunteers raised funds to purchase a further defibrillator in memory of former Councillor, Lesley Williams who was the group's founder and Secretary.

Our thanks go to Chris Palmer of Phase Connections for installing all of these life-saving devices, completely free of charge.

Llannon Community Council also provides...

Portaloos

Seating

Bins

Street Lighting

Bus Shelters

LLANNON COMMUNITY COUNCIL FINANCIAL REPORT 2025-26

"Llannon Ward – One Community"

The 2025-26 Budget

One of the key statutory tasks Llannon Community Council must undertake, is to prepare an annual budget. The Chief Officer and Responsible Financial Officer presented a detailed Prospective Budget Overview in an EGM held on 19th February 2025, which took in to account the Council's statutory duties and objectives for the Members to consider. The Council is ambitious and is striving to provide exemplary facilities and services for the residents of Llannon Ward.

Once approved, the budget was used as an active tool to manage the Council's finances. Every month, the Responsible Financial Officer presents all relevant financial information and budget monitoring reports to the Finance Committee, showing spend and income to date, against budgeted amounts.

On a Quarterly basis, a full Financial Report is presented to the Full Council.

By regularly monitoring the budget, members of the Council are able to consider spending and make recommendations about increasing income or using funds from contingencies or reserves if necessary.

Find the detailed breakdown of the 2025/26 budget set here:

<http://www.ccllannon.org.uk/wp-content/uploads/2025/02/Revised-Recommended-Budget-To-include-repairs-to-Tumble-Playground-19.02.25.pdf>

Find the Prospective Budget Overview document for 2025/26 here:

<http://www.ccllannon.org.uk/wp-content/uploads/2025/02/PROSPECTIVE-BUDGET-OVERVIEW-2025-26.pdf>

Financial Summary 2025-26

Income

The Council's total income for 2025-26 was £683,578.78. This was £89,875.11 more than anticipated due to grant funding received.

The main source of Llannon Community Council's income is the Precept. This represents the amount of council tax paid by households in the Llannon Ward that is allocated to Llannon Community Council.

The annual precept requested by Llannon Community Council for 2025-26 was £561,515.08. The Band D per household figure requested was therefore £274.11. This was an increase of £43.61 from the previous year.

Llannon Community Council does not receive any money from Business Rates.

The Council also received additional income in the sum of £122,063.70 from:

- Upper Tumble Public Cemetery Fees
- Tumble Hall Hire
- Y Cwtsh Donations
- Maintenance of ten footpaths on behalf of Carmarthenshire County Council.
- Successful Grant Funding Applications

Expenditure

The Council's total expenditure for 2025-26 was £719,719.01.

The Council's considerable assets take up a significant part of the budget, £299,360.42, whilst staffing costs and admin for the Council's active services and facilities cost £371,114.86.

The Council's well-being initiatives cost £37,385.73 and financial donations made to community groups amounted to £3411.00.

Reserves

The Council only carried a minimal general reserve of £50,000 during the year, which is significantly lower than we would like, however we did not wish to burden residents with further increases in the local precept.

Payments to Members

Members of the Council are entitled to claim expenses which amounted to £4248. Many Councillors returned their expenses towards our well-being initiatives. A statement of payments to members can be found here:

<http://www.ccllannon.org.uk/wp-content/uploads/2026/06/STATEMENT-OF-PAYMENTS-MADE-TO-MEMBERS-OF-LLANNON-COMMUNITY-COUNCIL-2025-26.pdf>

Peniad y Gyllideb / Budget Allocation	Cyllideb / Budget 2025-2026
Cyflogau, costau staff a gweinyddiaeth / Salaries, Staff expenses & Admin	£ 371,114.86
Iwfans Aelodau / Members Allowance	£ 7,447.00
Cymorth Ariannol Rhoddion / Financial Assistance Donations	£ 4,411.00
Asedau / Assets	£ 299,360.42
Mewnghysylltiad Cymunedol a Lles / Community Engagement & Well-being	£ 37,385.73

Grant Funding Secured

In order to improve our assets, provide vital services to our residents and support the wider community, Llannon Community Council will always seek additional opportunities for funding and this is a key element of the Chief Officer's role. Since her appointment in 2021, the Chief Officer has worked closely with officers of Carmarthenshire County Council and funders and we are delighted to announce that Llannon Community Council has secured a staggering £762,660.64 in grant funding. The improvements made and services provided with the money have made a huge difference to many residents of Llannon Ward. **£146,000** of that funding was secured during 2025-26 to re-develop the Pavilion in Parc y Mynydd Mawr and support food poverty.

**Additional funding awarded to
projects in Llannon Ward since 2021:**

Total = £762,660.64

LLANNON COMMUNITY COUNCIL PROGRESS ON CARMARTHENSHIRE PSB'S WELL-BEING OBJECTIVES 2025-26

"Llannon Ward – One Community"

The Well-being of Future Generations (Wales) Act 2015

The Well-being of Future Generations (Wales) Act 2015 was passed to improve the social, economic, environmental and cultural Well-being of Wales. The Act places a duty that public bodies are expected to carry out. A duty means Llannon Community Council must do this by law. The Well-being duty states:

“Each public body must carry out sustainable development”.

“The action a public body takes in carrying out sustainable development must include:

Setting and publishing objectives (“well-being objectives”) that are designed to maximise its contribution to achieving each of the well-being goals, and taking all reasonable steps (in exercising its functions) to meet those objectives”.

The Sustainable Development Principle

In working towards delivering these goals, Llannon Community Council must follow the sustainable development principle, designed to support and deliver services that meets the needs of the present without compromising the ability of future generations to meet their own needs.

The Council must ensure that when decisions are made, the impact this could have on people living in the Llannon Ward in the future must also be considered.

National Well-being Goals

The Well-being of Future Generations (Wales) Act sets out seven Well-being Goals which public services must work towards to improve the social, economic, environmental and cultural well-being of all of our communities.

The Five Ways of Working

In order that Llannon Community Council apply the sustainable development principle, there are five ways of working which we must follow: Long term; Prevention; Integration; Collaboration and Involvement.

The Council must ensure that everything we do has taken these ways of working into consideration.

The Council must think more about the long-term; work better with local communities; look to prevent problems and take a more joined-up approach.

This will ensure we work together in a more robust and effective partnership approach.

How Llannon Community Council incorporates the Five Ways of Working

***Long-term** - the importance of balancing short-term needs with the need to safeguard the ability to also meet long-term needs.*

In 2023, Llannon Community Council published a **Community Engagement Strategy** which resulted in the circulation of a Community Survey. From the Survey results, we identified a number of issues faced by our residents. Some of these issues, including the loneliness and isolation experienced by older members of Llannon Ward, was something we felt we could tackle immediately. A weekly luncheon club for the over 50's was set up shortly afterwards and now supports 70-80 residents every Friday. Other issues, such as a lack of training and changing facilities to support the local sports clubs required a longer-term plan.

Following the Survey, the Council carefully considered a **Well-being Plan** which fully aligns to Carmarthenshire PSB's Well-being Objectives and the Well-being goals of Wales. We were extremely proud to publish our Well-being Plan in 2024. In addition to this, in January 2025, the Council published its' first **Forward Development Plan**, outlining our Well-being Objectives and setting out ambitious plans for improvements that would not only be of benefit to our residents now, but for the future generations of Llannon Ward. All of these documents are reviewed annually by the Council and amended in accordance with the needs of our residents.

Cross Hands Park was identified by Llannon Community Council as an area requiring significant improvements. A successful application through the Shared Communities Fund provided us with the opportunity to instruct specialists to create a **Masterplan** of the area and identify opportunities for grant funding to support additional facilities recommended.

In order to deliver our Well-being initiatives, the Council has employed three, part-time officers and created a dedicated Well-being Team. The team is responsible for overseeing our community supermarket and warm space "Y Cwtsh," organising our weekly luncheon club and arranging all of the other well-being activities delivered by Llannon Community Council.

How Llannon Community Council incorporates the Five Ways of Working

Prevention - *how acting to prevent problems occurring or getting worse may help public bodies meet their objectives.*

Llannon Community Council is fully committed to tackling problems and assisting with well-being problems within our Ward.

Our Community Supermarket, “Y Cwtsh” is open to: Anyone that **resides in Llannon Ward**; Anyone that **works in Llannon Ward**; or Anyone that **volunteers in Llannon Ward**. Y Cwtsh has recently moved to Tumble Hall and we are currently supporting 102 families.

Our Warm Hub (based at Tumble Pavilion), helps keep our residents warm during the cold Winter months. Through this social space, we can identify residents that might benefit from additional support and signpost them to the relevant services.

A large number of residents are suffering with mental health issues and suicide prevention has become a top priority. We work closely with Shadows Mental Health support by offering free space at Y Cwtsh and Tumble Hall enabling support sessions to be held. We also provide the same access to LINKS who support veterans and blue light members.

The closure of Tumble Surgery in 2024 had a significant impact on our residents who were concerned about difficulties in accessing health services. We worked with Hywel Dda to provide free space in Tumble Hall enabling the following clinics to continue in the area: Heart Clinic; Pelvic Health Clinic; Pain Management Clinic; Social Prescriber. Free space is also provided to support the Flu and Covid vaccination clinics where over 1500 residents are vaccinated every year.

Due to the closure of the last bank in the village, we also continue to make a room available to Lloyds Bank every Friday, in order to provide our residents with access to financial support.

In 2024, Llannon Community Council worked with Tennis Wales and secured funding to re-surface the tennis courts in Cross Hands Park and we match funded the project in the sum of £25,000. Our many sporting and physical activities offered are bringing residents together and help improve the health and well-being of our residents.

How Llanon Community Council incorporates the Five Ways of Working

Integration - *considering how the public body's well-being objectives may impact upon each of the well-being goals, on their objectives, or on the objectives of other public bodies.*

Llanon Community Council is totally committed to ensuring our well-being objectives are integrated with the Well-being goals for Wales so we decided to fully align to the Carmarthenshire PSB by adopting the same objectives and we actively consider how our actions contribute to and complement the objectives. We engage with PSB partners and use their priorities to help shape our local plans.

The facilities and services that operate range from cost of living support; mental health support; activities for the elderly; activities for young people; upgraded sports facilities; vast recreational services and the provision of six children's playgrounds.

We also work closely with neighbouring town and community councils, where our staff share ideas and best practice. We are keen to develop this further in the future and will look at ways in which we can combine resources, saving money and lessening the burden on the local precepts.

How Llannon Community Council incorporates the Five Ways of Working

Involvement - *The importance of involving people with an interest in achieving the well-being goals and ensuring that those people reflect the diversity of the area of which the body serves.*

Over the past year Llannon Community Council has worked together to strengthen our community engagement through the publication of a newsletter and posts on social media. We have also used our social media to assist with consultation and participatory engagement. This digital engagement has proven especially effective in reaching broader and more diverse audiences.

Councillors that have a keen interest in particular areas of our work are nominated for relevant Committees, ensuring their excellent range of knowledge and experience is available when scrutinising all decisions made.

The Chief Officer works closely with all of our Stakeholders and is aware of the issues many of our community groups are facing, in particular our sports clubs. Through ongoing contact, the Chief Officer is able to identify ways in which the Council can assist our community groups and can also signpost them to other services that might be of assistance.

How Llannon Community Council incorporates the Five Ways of Working

Collaboration - acting in collaboration with any other person (or different parts of the body itself) that could help the body meet its' well-being objectives.

Llannon Community Council has established a solid network of key stakeholders that we currently collaborate with:

Various departments within **Carmarthenshire County Council**, including - Community Bureau; 10 Towns Initiative; Actif Sir Gar; Early Years Integration Team; Safer Routes in Communities; Local Places for Nature; Hwb Bach y Wlad.

Hywel Dda Health Board - who use our spaces to deliver vital health clinics and to hold meetings and training sessions for staff, ensuring our residents have easier access to services.

Schools - who we support by offering free use of our community buildings and assistance with concerts and sports days. We also work together to produce Safer Routes in Communities bids which incorporate active travel improvements.

Sports Clubs - who are vital in providing team sport in the area run by volunteers, who we support by providing changing and playing facilities and providing financial assistance towards junior festivals.

Sports Governing Bodies - LTA; Tennis Wales; Football Association of Wales; Welsh Rugby Union - who we work with to obtain grant funding and to make improvements to facilities.

Community Groups - Our many community groups who work tirelessly to provide additional well-being activities within Llannon Ward which we support with financial assistance, free use of Council land and guidance; Cyfle i Bawb; Tumble Lindy Hop Jive; Eisteddfod Gadeiriol y Tymbl; Men's Shed Cwm Gwendraeth; Cross Hands Bowls Club; Friends of Mynydd Mawr Woodland Park; Keep Mynydd Mawr Tidy; Cross Hands Action Team.

Dyfed Powys Police - who we meet with on a regular basis to discuss local issues.

Menter Cwm Gwendraeth Elli - who assist with Welsh language projects.

About Carmarthenshire Public Services Board

The Well-being of Future Generations (Wales) Act 2015 established a statutory board, known as a Public Services Board (PSB), in each local authority area in Wales. The PSB is a collection of public bodies working together to improve the well-being of Carmarthenshire.

As a group, the PSB must improve the economic, social, environmental and cultural well-being of Carmarthenshire by working to achieve the 7 Well-being goals. The PSB assessed the state of economic, social, environmental and cultural well-being and published a well-being plan (2023-2028) setting out local objectives and the steps required to meet them.

The PSB must follow the sustainable development principle - meeting the needs of the present without compromising the ability of future generations to meet their own needs.

Carmarthenshire PSB's statutory members are:

Carmarthenshire County Council; Hywel Dda University Health Board; Mid and West Wales Fire and Rescue Service & Natural Resources Wales

Carmarthenshire PSB's other partners are:

Coleg Sir Gâr; University of Wales Trinity Saint David; Dyfed Powys Police; Dyfed-Powys Police and Crime Commissioner; Department for Work & Pensions; Carmarthenshire Association of Voluntary Services; Welsh Government; Probation Service; Bannau Brycheiniog National Park Authority

The Carmarthenshire PSB has set 5 objectives for 2023-2028 and Llannon Community Council is required to report our progress in helping to achieve these goals.

How Llannon Community Council is helping to deliver Carmarthenshire PSB's Well-being Objectives

1. “Ensuring a sustainable economy and fair employment”

“Carmarthenshire will be a prosperous county with a well-educated and skilled workforce where opportunities exist for all.

Everyone will be able to reach their full potential, therefore reducing poverty and deprivation.

Funding opportunities will be maximised, and our young people will be given the best possible opportunities to innovate and lead in our communities”.

Activity	Description	Which National Well-being Goals does this support?
Training & Development 	Llannon Community Council continues to follow our Training & Development Plan and allocated £7500 to the Training & Development Budget for 2025-26. We recognise this is essential to: ○ Retain employees ○ Improve performance ○ Address skill gaps; ○ The overall success of the Council. Performance of staff is regularly monitored in 1-2-1 sessions and annual appraisals are undertaken. Staff who perform over and above the requirements of their role may be considered for a bonus. Our staff also attend National Conferences which provide them with knowledge and opportunities to form extended networks. There is also provision for Councillors to undertake training with Code of Conduct training currently being mandatory. It is hoped that Councillors will feel more confident in their roles and the decisions that they make, helping to make our community more cohesive. Volunteering Opportunities  	Due to the success of our Y Cwtsh project, Cinio a Chlonc and a new Community Mini-bus situated in Tumble, we established an official Volunteering Hub in 2024. Our Well-being Officer utilised the support available from CAVS and created policies and attended training sessions. We advertised positions available on social media and our community newsletter and are delighted to announce we now have a pool of eighteen volunteers supporting our projects. During National Volunteers Week 2025, we issued all of our volunteers with certificates and published our thanks via social media. As we grow in 2026-27, we hope to extend these opportunities. How Llannon Community Council is helping to deliver Carmarthenshire PSB's Well-being Objectives

2. “Improving Well-being and reducing health inequalities ”

“Building on the vision within the Director of Public Health Annual Report for 2018/19, our shared vision is a county where individuals, communities and the environment they live, play and work in are adaptive, connected and mutually supportive.

This means people are resilient and resourceful and enabled to live joyful, healthy and purposeful lives with a strong sense of belonging”.

Activity	Description	Which National Well-being Goals does this support?
Provision of Cinio a Chlonc	In April 2024, Llannon Community Council launched our Cinio a Chlonc project to help tackle loneliness and isolation. The luncheon club is held every Friday in Tumble Hall for the over 50's. We provide a two-course meal, followed by entertainment and bingo with free transport available on the Community Mini-bus if required. There is a charge of £8.50 per week, however Llannon Ward Residents receive a discount and only pay £6.50. There are currently 70-80 people attending every week. During some of the sessions, we also commemorate special occasions including, Valentine’s Day, St David’s Day, VE Day and Christmas. Activity	Description	Which National Well-being Goals does this support?
Provision of Sports Facilities 	Llannon Community Council maintains the football pitch and changing rooms at Parc Y Mynydd Mawr. Other areas of the site are also maintained for Junior training, matches and festivals. The Council also maintains the recently re-surfaced tennis courts at Cross Hands Park which have proved to be extremely popular. Every Saturday, we offer free tennis lessons through the Barclays free tennis initiative. The Pavilion at Parc y Mynydd Mawr will be open shortly with modern, fit for purpose changing facilities. Activity	Description	Which National Well-being Goals does this support?
Provision of recreational spaces 	The Council continues to provide and maintain our vast recreational and green spaces within Llannon Ward. The Council works closely with other organisations to promote the benefits people obtain from visiting natural spaces in improving their physical and mental well-being. The Cwm Gwendraeth Early Years Team and Tumble Family Centre arrange mother, baby and toddler walks and family fun days in Parc Y Mynydd Mawr and Cross Hands Park. Cross Hands Action Team arrange a carnival every year at Cross Hands Park and Cefneithin RFC also use the area for a Fun Day. The local schools use Parc Y Mynydd Mawr, Llannon Park and Cross Hands Park to hold their sports days.	A Resilient Wales A Healthier Wales A More equal Wales A Wales of Cohesive Communities 

Activity	Description	Which National Well-being Goals does this support?
Provision of playgrounds 	Llannon Community Council is responsible for the maintenance of six playgrounds in the following areas: Parc y Mynydd Mawr; Y Graig; Maes-y-Ffynnon, Llannon Park; Tirwaun Park; Cross Hands Park. The physical, social, educational and cognitive benefits of playgrounds is well recognised. The playgrounds provided by Llannon Community Council encourage families to become more active together and help families to connect. They provide opportunities for children and their families to develop friendships and social networks. The playgrounds help families to adopt healthy habits, where children learn to develop healthy habits of physical activity that last throughout their lives. Local schools and organisations make use of the playgrounds as part of their activities. Supporting Hywel Dda University Health Board to provide health services within Llannon Ward 	The closure of Tumble Surgery in 2024 had a significant impact on our residents who were concerned about difficulties in accessing health services. We worked with Hywel Dda to provide free space in Tumble Hall enabling the following clinics to continue in the area: • Heart Clinic; • Pelvic Health Clinic; • Pain Management Clinic; • Social Prescriber. Free space is also provided to support the Flu and Covid vaccination clinics where over 3000 residents are vaccinated every year. Many of the staff involved in the services are Welsh speakers. To assist with the provision of mental health support service within Llannon Ward 	Supporting residents with their mental health and suicide prevention is a key priority for Llannon Community Council. The Council allows Shadows Depression Group to use Tumble Hall free of charge. As a result, they are running well-attended groups, twice a week. We also provide space for LINKS to hold a monthly support group for combined armed forces which incorporates veterans and blue light teams living in Carmarthenshire. Activity	Description	Which National Well-being Goals does this support?
Provision of low rental for community groups hiring Tumble Hall. 	Tumble Hall is extremely well used and is an integral part of the community. There are several versatile spaces which can host a variety of activities that provide residents with many varied opportunities to improve their well-being. We supported community groups such as Cyfle I Bawb by offering low rental rates, to facilitate and sustain their bi-monthly gatherings. A number of keep-fit style classes’ use the Hall’s main room. The variety on offer increases the appeal to local residents who can find a suitable activity in which to participate and become more active. Cllr. Llinos Davies has organised ‘Fun Mornings’ with Cwm Gwendraeth Early Years Team. These events, aimed at children aged 0-5yrs, were free to attend and very positive feedback was received from organisers and families. Llannon Ward remains a stronghold of the Welsh language and many of the events in Tumble Hall are naturally held in the Welsh language or bilingually. Tumble Hall continues to be used to promote and protect the culture and heritage of Wales and the Welsh language. Merched Y Wawr hold their monthly meetings in the Hall. Children’s Activity Clubs 2025 	During the Summer of 2025, Llanon Community Council delivered a FREE Summer of Fun programme with wide-ranging activities. The aim was to encourage children to come together and be more physically and creatively active, without a financial burden on their families. Over the six weeks 1200 children participated in the following Clubs that were on offer: • Multi-Sports Camps • Keep Fit Classes • Dance Classes • Music Workshops • Cartoon Drawing Club • Tennis Lessons • Film Thursdays The positive feedback received from the parents encouraged us to arrange further holiday clubs during the October and February half-terms. How Llannon Community Council is helping to deliver Carmarthenshire PSB's Well-being Objectives

3. “Responding to the climate and nature emergencies”

“Our vision as a Public Services Board is that Carmarthenshire will be recognised as a county that protects and enhances its existing environment and biodiversity, harnessing its natural resources to best effect.

We will lead on the Climate and Nature emergencies and ensure that our environmental wealth is considered and well connected to delivering economic and well-being benefits to our residents and visitors”.

Activity	Description	Which National Well-being Goals does this support?
Actively following Llannon Community Council’s Biodiversity Plan 	Llannon Community Council has a very active Environment Committee. Action on Biodiversity is now considered as an integral part of all Council activities. In July 2025, the Council fulfilled its duty under S6 of Environment (Wales) Act 2016 “The Biodiversity and Resilience of Ecosystems Duty,” by reporting on our work to enhance biodiversity in Llannon Ward and producing an action plan for the following three years. As part of the plan, four very unique sites were selected for development and monitoring. These have different habitats and land management requirements. The aim is to monitor how the biodiversity in these different areas changes under different grass cutting regimes and other techniques and use this to inform management of other sites in future years. The Council worked closely with Amanda Evans (Caeau Mynydd Mawr Conservation Officer) and Matthew Collinson (Local Places for Nature Officer) to make further changes in our cut and collect regime by encouraging us to apply for Welsh Government Local Places for Nature Funding. In March 2024, we were awarded £34,836 to purchase a new cut and collect mower and a battery operated pedestrian mower. Due to the reduced frequency of grass cutting, there has been a marked increase in biodiversity with more plants allowed to flower, resulting in more food for insects. The time saving allows for other sites to be targeted for biodiversity conservation. Helping to create a Circular Economy 	We are committed to reducing single-use plastic and use re-usable containers for dried products such as cereal and coffee distributed through our Community Supermarket. We ask users to return the containers for a re-fill when they are empty. Through Y Cwtsh we have established the following projects: • Book Swap (Welsh and English) • DVD Swap • Clothes Swap • Toy Swap We also take donations of local school uniforms and PE kits that we re-distribute to our families. We recycle all paper/cardboard; glass; tins; plastic and food waste throughout all of our buildings. Mixed waste collected from bins situated throughout the community is sorted at Cwm Environmental's Commercial Recycling Centre. Provision of a Community Supermarket	As a direct result of the Cost-of-Living crisis, Llannon Community Council opened “Y Cwtsh” in 2022, to support residents facing the rising cost of food and utility bills. Within Y Cwtsh, we operate a Community Supermarket which can be accessed by: Anyone that resides in Llannon Ward; Anyone that works in Llannon Ward; or Anyone that volunteers in Llannon Ward. The project is overseen by our Well-being Officer and supported by our team of enthusiastic volunteers. In March 2026, we moved Y Cwtsh to Tumble Hall and currently support 102 families with low-cost and free food. Most items available are marked with a point-based system and during each visit, our members can access 10 points worth of food/daily essentials for a small donation of £3 (although this is not compulsory). Many items are also available without points, including weekly slow cooker packs (where we provide all of the ingredients to make a nutritious family meal. We are very fortunate to receive support from many partners including FairShare Cymru and Neighbourly where we access surplus food. Local churches and chapels have also been extremely generous, donating money and food whenever possible. During 2025-26, we secured £12,500 of funding through the Welsh Government Fuel Poverty Fund. We would particularly like to thank local business Dunbia, based in Cross Hands, who supply a large donation of meat to be distributed via Y Cwtsh, every month. Activity	Description	Which National Well-being Goals does this support?
Free Family Breakfast Clubs Summer Holidays 2025 	From talking to the families that use Y Cwtsh, we were very aware of their concerns over how they were going to feed their children during the six-week Summer Holidays. We know that breakfast clubs run by schools contribute to the health, academic success, and social development of children. We therefore felt it was important to ensure that every child in Llannon Ward had the opportunity to have a good start to the day by providing a FREE nutritious breakfast to families during this period. Many families commented on how inviting the set-up of the breakfast was. There is a still a great deal of stigma around these type of projects so we wanted to bring a welcoming feel. Feedback from the families was that “It was like staying in a hotel!”.	A Prosperous Wales A Resilient Wales A Healthier Wales A More equal Wales A Wales of Cohesive Communities

Provision of: Llannon Community Council’s website & Social media presence on Facebook 	Llannon Community Council’s website: www.cllannon.org.uk is open and transparent, providing residents with information regarding the operations of the Council and links to other services. The Council continues to run its Facebook page: www.facebook.com/llannoncommunitycouncil. The page has increased over the year from 557 followers to 1069 followers. All posts are in English and Welsh. The Council also operates the Facebook page for Tumble Hall: www.facebook.com/Tumblehall. The page has 1545 followers. In addition, the Council operates the Facebook page for Y Cwtsh: www.facebook.com/CwtshYTymbll. The page was set up in May 2025 and has 256 followers. The social media presence has allowed the Council to publish public information in a fast and accessible manner. This also helps to assist with the early resolution of problems and issues. It links well with other local accounts enabling sharing of information for residents. Supporting 	Llannon Community Council is proud to support this important cultural event in Cwm Gwendraeth. It is vitally important that this renowned Eisteddfod continues to be a resounding success. Being able to support this event by providing free use of Tumble Hall, sound and vision equipment and a £1000 financial donation is a matter of pride for Llannon Community Council, We are also delighted to display the Eisteddfod Trophies in the Conference Room on behalf of the Eisteddfod Committee. 	A More equal Wales A Wales of Cohesive Communities A Wales of Vibrant Culture & Thriving Welsh Language 

Llannon Community Council's Further Well-being Objectives for 2026-27

1. “Ensuring a sustainable economy and fair employment”

- *To create a Renewable Energy Plan where we consider only using renewable energy.*
- *To arrange drop-in sessions for residents with Business Wales/Job Centre.*
- *To create a new website that includes practical employment support with links to public transport timetables; car sharing schemes; job search websites and business development start-up information.*
- *To provide support for staff to learn the Welsh language and work with Menter Cwm Gwendraeth Elli to promote the use of the Welsh language.*

2. “Improving well-being and reducing health inequalities”

- *To assist with the delivery of the Healthy Weight, Healthy Wales programme and NHS Eat Well programme by educating residents via our Y Cwtsh project.*
- *To create a plan to make improvements to Tirwaun Park, Caeglas.*
- *To create a plan to make improvements to Llannon Village.*
- *To provide as many opportunities as possible to increase sports provision within Llannon Ward.*
- *To undertake a local 'Bag it. Bin it' campaign.*

3. “Responding to the climate and nature emergencies”

- *To carry out a review to establish areas where we might incorporate EV Charging points.*
- *To implement an E-bike scheme.*
- *To produce a “Net Zero by 2030” Plan.*
- *To establish a Clothing Amnesty, specifically targeting local school uniforms, PE Kits and coats, that can be re-distributed through Y Cwtsh.*

4. “Tackling Poverty and its impacts”

- *To continue to signpost and refer service users of Y Cwtsh to support services.*
- *To build on current advice and support provision to residents through Y Cwtsh, by developing opportunities for collaboration across PSB organisations.*
- *To reach out and support people who are facing the danger of becoming homeless by signposting them to the relevant services, hopefully before crisis point has been reached.*

5. “Helping to create bilingual, safe and diverse communities”

- *To develop a support service for vulnerable adults, for example new Dads.*
- *To develop a Youth Council to have a better understanding and connection to the needs and desires of young people in the Llannon Ward.*
- *To create Welsh language learning and engagement opportunities.*

Llannon Community Council Aims for 2026-27

Parc Y Mynydd Mawr

The Council will continue with plans to redevelop the changing rooms and will aim to open the new facility in 2026.

Cross Hands Park

The Council will carry out a community consultation to establish what facilities residents desire to be on the site.

Y Graig, Llechyfedach

The Council will continue with plans to enhance the footpaths and source funding to install a new playground.

Llannon

The Council will carry out a community consultation to establish what the residents of Llannon would like. We will also consider the asset transfer of the land behind Llannon School.

Youth Engagement

The Council will work with Carmarthenshire County Council's Youth Services Department to establish arrange a weekly youth club.

New website

The Council will launch a new vibrant, accessible website, providing information in a more user friendly manner and signposting to the work of the Council and local services.

Democratic Health

In preparation for the elections in 2027, the Council will actively promote the election process and the valuable role a Councillor plays in the community.

Heritage & Culture

The Council will work with stakeholders to arrange a large community event to celebrate the historic role Jac Tyisha played in the Rebecca Riots.

Summary & Reflection

2024–25 demonstrated Llannon Community Council's ongoing commitment to improving the well-being of our residents and improving the facilities available within Llannon Ward.

From children's activity programmes to our weekly luncheon club, our initiatives were delivered to help tackle loneliness, isolation and the cost of living crisis.

Improvements to our sporting facilities will support both the current and the future generations of Llannon Ward.

The Council's achievements were made possible through dedicated councillors, staff, volunteers, and community stakeholders who share the same goal - to make Llannon Ward a better place to live.

The Council would like to thank everyone that has supported our initiatives and looks forward to a prosperous 2025-26.

March 2026

Contact Us

As the Proper Officer of the Council, the Chief Officer is responsible for dealing with all communication on the Council's behalf.

Llannon Community Council is committed to dealing effectively with any concerns or complaints you may have about our service. The Council aims to discuss issues and to correct any mistakes that may have been made.

If the Council has failed to provide a service to which you are entitled, we will do its best to rectify this. If possible, we will put things right. The Council aims to learn from mistakes and to use the experience to improve its services.

The Chief Officer, Mrs Clare Hope, can be contacted via the following methods:

Llannon Community Council, Tumble Hall, Heol-y-Neaudd, Tumble, Llanelli, Carmarthenshire SA14 6HR.
